

Plot Diagram

Using the given plot diagrams, label elements of plot in *War of the Worlds*.

1. Choose one of the elements and in a paragraph, explain how it belongs to the position on the plot diagram where you placed it. Use two details and/or examples from the story to support your answer.
2. In an appropriated graphic organizer, compare two “experts” at the scene of the Martian landing. Identify two similarities between the experts.
3. In a paragraph, discuss which witness provides the most convincing point of view. Use two details and/or examples from the passage as support.
4. Describe the significance of the radio drama’s setting in establishing the mood of the piece. Use two details and/or examples from the passage as support.
5. Identify a possible theme for *War of the Worlds*. Justify your choice using two details and/or examples from the passage as support.
6. Was the narrator’s hiding to solve the problem of alien invasion an effective solution? Use two details and/or examples from the text to support your answer.
